

AKSA SUPPLIER PASSWORD RESET GUIDE

To reset your supplier password, please visit the link below:

<https://aksatedarik.kazanciholding.com.tr/sap/bc/ui2/flp?sap-client=300>

On the portal screen that opens, click on the “Forgot your password?” Field to go to the password reset page.

A screenshot of a web browser showing the SAP login portal. The browser's address bar displays the URL: https://aksatedarik.kazanciholding.com.tr/sap/bc/ui2/flp?sap-client=300. The page has a blue background with a large, vibrant pink flower in the bottom right corner. The SAP logo is visible in the bottom left. In the center, there is a login form with three input fields: 'User', 'Password', and 'Language' (set to 'EN - English'). Below these fields are two buttons: a blue 'Log On' button and a white 'Change Password' button. A link labeled 'Forgot Password?' is positioned below the 'Change Password' button.A screenshot of the SAP password reset page. The browser's address bar shows the URL: https://aksatedarik.kazanciholding.com.tr/sap/bc/webdynpro/sap/zslc_reset_sup_pass#. The page has a light blue background. It contains two input fields: 'User Name:' with the text 'T*****' and 'E-mail Address:' with the text '***@****.com'. Below these fields is an 'OK' button.

On the page that opens, enter the supplier's code in the User Name field, the supplier's e-mail address registered in the system in the E-mail Address field, and click the OK button.
